

Welcome to the Gay Agenda 2023! Hosted by Bill & Will, this series of events is designed to bring together members of the LGBTQ+ community and allies in a celebration of equality, acceptance, and love. Also, a fantastic excuse to get together and enjoy each other's company while we create memories. Over the course of the Spring and Summer, we'll gather for various activities that promote friendship, creativity, and connection.

To ensure you don't miss out on anything, we encourage you to save the dates for any upcoming events you would like to participate in. Evites will go out for each individual event with detailed information about the agenda, location, tickets and other essential details.
